

60% of Oracle Clients Are Out of Compliance

**An audit can result in hundreds of thousands
or even millions of dollars in fines**

Unauthorized use of Oracle software licenses is a breach of contract and intellectual property and will result in an audit or a potential lawsuit against your organization if not resolved. Whether you want to monitor Oracle software usage to ensure that you remain compliant, or need help resolving an existing audit, Vendita can help.

Why Vendita

**1 of 13 global
verified tool
vendors**

**MAS: A proprietary
compliance tool
that is verified
and approved by
Oracle**

**Oracle Platinum
Partner that can
sell licenses to
resolve issues**

**SAM team to help
you negotiate
contracts and
software usage**

**Expert
negotiation to
reduce costs with
client-friendly
pricing & terms**

The MAS scans have been verified by Oracle Global License and Advisory Services (GLAS) group. In the event of an Oracle License Management Services (LMS) audit, Oracle LMS will accept data from the MAS tool as an alternative to installing Oracle LMS measurement tools.

Need help detecting and resolving Oracle compliance issues? Available through the OCI marketplace, MAS can be purchased in a variety of ways including Universal Oracle Cloud credits.
